

## THE GLASSY MOUNTAIN FIRE SERVICE AREA 2017 GOLF TOURNAMENT & CONTRIBUTION CAMPAIGN

The success of this annual campaign depends upon your participation in the golf tournament to be held **Wednesday, August 2, 2017** and/or your personal donation.

For all cash donations no goods or services are received for your donation. Therefore, 100% of your donation is tax deductible (*see note below if you plan to participate*). The Glassy Mountain Fire Service Area operates as a combination department which means we rely heavily on our volunteers in a major event. Your financial support is crucial in funding programs which incentivize and help us to maintain our robust roster of trained and equipped volunteers. Your contributions have been responsible for greater fire protection and lower homeowner insurance rates.

If you have questions, please contact Richard Baker at (864)836-6920
