TOTAL INCIDENTS:	59	100.00%
TOTAL INCIDENTS YEAR-TO-DATE:	588	N/A

Response Data	Month
Average response time to Fire Calls*	2:33
Average response time to All Calls	8:18
Average personnel to Fire Calls *	13

* Only one fire event (in Tigerville) during the month of October.

Glassy Mountain provided 14 Mutual Aid responses in October. One was for a structure fire. Two were for fire-related alarms. All others (11) were medical responses as a GCEMS QRV. Two were cancelled enroute to the alarm.

2. Personnel:

- Received one application for volunteer service. The applicant was not eligible for membership with the department.
- Interviewed four persons for full time employment. Two were offered positions to fill vacancies in our full time staffing complement.

Fire Chief's Report

October 2018

3. Meetings / Operational Initiatives:

- Met with Greenville County EMS Dispatch and Geographic Information Services (GIS) to refine mapping and Automatic Aid response areas for the new Computer-Aided Dispatch (CAD) system.
- Attended the Greenville County Fire Chiefs' Association monthly meeting.
- Attended two Greenville County Emergency Response Team (ERT) Coordinators meetings.
- Attended training with Greenville Water on how to track and report water usage on structure and other large water volume fires.
- Participated in the department's Annual Open House and 30th Anniversary celebration.
- Attended a GCEMS Paramedic Continuing Education session and taught an EMT CEU session for department members.
- Participated in a review of our Public Protection Classification (PPC) rating with the Insurance Services Office (ISO). This was a scheduled 5 year reevaluation of the department's readiness to provide fire protection to the residents and businesses in our district.
- Taught a Heartsaver CPR class for Lima Baptist Church.
- Met with the Lake Cunningham Fire Department to review our Automatic Aid Agreement and to refine response areas and discuss the possibility of increasing interagency training opportunities.
- Attended a webinar on NFPA 3000; Standard for Active Shooter/Hostile Event Response.
- The average Turnout time was 01:06. Full report of turnout time per apparatus is attached.

4. Inspections / Re-Inspections / Preplans and Plan Reviews:

- Seventeen inspections were completed in October. Two were follow up inspections to ensure compliance with a previous inspection. One was a Plan Review for the Cliffs at Glassy Guard Shack, and 5 were pre-plans.
