July 2, 2020

Dear Neighbors,

For over 25 years the Glassy Mountain Fire Foundation has held an Annual Golf Tournament and Contribution Campaign. This event has been the primary fundraiser for the initiatives of the Foundation in assisting the Glassy Mountain Fire Service Area. Monies raised from past tournaments have led to equipment improvements, advances in the department's medical response and training, and the recruitment and retention of volunteers. **We are sad to announce that this year's tournament must be cancelled.** With the closures related to the Coronavirus, we are unable to secure a course for our tournament this year. However, the fire department has continued to serve our community through this COVID-19 crisis, and **THE FIREFIGHTERS NEED YOUR CONTINUED SUPPORT.**

The Foundation would like to continue its funding of the department's medical training, medical equipment, and recruitment and retention programs. This year we would also like to assist the department with their purchase of new extrication equipment which can be handled more efficiently and is more effective on newer vehicles. The extrication equipment will cost the Service Area approximately \$60,000. **WE CANNOT DO THIS WITHOUT YOUR SUPPORT.**

This year's **Contribution Campaign** will be the **only fundraiser** for the fire department this year. Because of your past support, residents and visitors to our service area continue to have peace of mind knowing that well-trained, skilled personnel, using the latest equipment, will respond to their calls for help. We appreciate your effort to ensure that this tradition continues! Enclosed is a contribution form with more information on how you can give your donation.

Thank you in advance for your generous support!

A handwritten signature in black ink that reads "Richard Dusa". The signature is written in a cursive style and is placed on a light-colored, textured background.
