Dear Neighbors,

2020 was a year unlike any we have ever experienced. Because the Fire Foundation, which is a 501(c)3 non-profit organization whose sole purpose is to support the Glassy Mountain Fire Service Area (GMFSA), was unable to hold any fundraisers, circumstances might have halted our progress **EXCEPT** for the generous, supportive community that we serve. Because of your generosity the Foundation was able to continue its assistance to the GMFSA. Monies raised were used to assist the department in purchasing new extrication equipment and a LUCAS 3 lifesaving device and to FULLY fund the department's medical training, medical equipment, and recruitment and retention programs. **WE ARE SO THANKFUL FOR YOUR SUPPORT.**

2021 finds us still reeling from the effects of the pandemic. ***We are sad to announce that this year's Rummage Sale and Golf Tournament were also cancelled.*** With the closures related to the Coronavirus, we are unable to secure a course for our tournament again this year. However, the fire department has continued to serve our community through this COVID-19 crisis, and **THE FIREFIGHTERS NEED YOUR CONTINUED SUPPORT.**

This year's **Contribution Campaign** will be the **only fundraiser** for the fire department this year. We know that not everyone in our district is able to help financially, but EVERY gift ensures that our community has the quality care that it deserves. Since our beginning in 1988, the Foundation's motto has been ***"Preserving Our Heritage ~ Protecting Our Future."*** We appreciate your effort to ensure that this tradition continues! Enclosed is a contribution form with more information on how you can participate in this year's campaign.

Thank you in advance for your generous support!
