

Good morning and Happy Thanksgiving!

As we prepare to enjoy a meal and give thanks for everything we have, I wanted to take a moment to thank you for your contributions to the Glassy Mountain Fire Service Area. This year has certainly been challenging and unique for all of us and we have persevered as a team to continue to provide outstanding service to those we have been charged to care for and protect. Please know I appreciate and am thankful for each of you and your individual contributions to making us successful.

Whether you are dining alone, with your immediate family, or are able to enjoy some time with your extended family during this pandemic, please take time to thank God for the gifts we have. Also, take time to remember those working and serving today to keep us safe and secure and ready to respond to any emergency should they be called upon.

Thanks for all you do!

Yours in service,

Robert Staples, MS, CFO, EFO
