* There were no structure fire responses in July. There was 1 reported vehicle fire which ended up being a truck with smoking breaks and no additional personnel where needed. As this was not an obvious vehicle fire, personnel had to determine where the event occurred. The truck driver did not initially call for the fire department.

Glassy Mountain provided 8 Mutual Aid responses in July. One was for a Fire Alarm, 3 were for Motor Vehicle Accidents and the remaining 3 were dispatched and cancelled enroute and one was for a medical response as a GCEMS QRV.

2. Personnel:

- Added two volunteers to the roster and spoke with two other persons about membership.

3. Meetings / Operational Initiatives:

- Attended EMT CEP Skills training at the GHS Simulation Center.
- The average Turnout time was 00:41. The Incident Response Detail Times report is attached for your review.
