Subject: Annual Live Burn Training

All Personnel,

We will be conducting our annual Live Burn Training Session on November 6, 2021. This will be held at the Fire Training Building in Slater Fire District. We will be doing a training session from 0900-1200 hours and the same session again at 1300-1600. **All Interior Firefighters are required to attend one of these sessions and all full-time personnel are required to attend both sessions, unless excused by Chief Staples.** All other members are not required to attend but we would love to have your participation during this events. We will be utilizing many aspects of fire control, search and rescue, re-hab and incident command. This annual training helps all of our personnel learn the critical steps of fireground teamwork.

Please let me know what time you will be attending, so I can set a schedule for the event. Get this information to me ASAP.

Thanks

Russell T. Rafferty EFO, NREMT-P
